Affordable Health Care for Missouri's Families?

VOTE NO on Prop C

Insurance Companies and Politicians are playing politics with Missouri's Healthcare.

The new law helps Missouri's seniors, businesses and working families:

- ✓ **STOPS** insurance companies from denying coverage to people with pre-existing conditions.
- ✓ **HELPS** Seniors with their prescriptions and gives seniors free preventive screenings. Seniors also get free annual physicals and cancer screenings under the new law.
- ✓ **GIVES** parents the option to keep their children on their family insurance plan until age 26.
- ✓ **HELPS** small businesses afford health care for their employees. Eligible small businesses may claim tax credits for up to 35% of the employer's cost of insuring workers; the amount rises to 50% in 2014.

On August 3rd, Vote "No" on Prop C!

Make sure you side with Missouri's working families, seniors and small businesses, NOT the insurance lobbyists and politicians who want to turn back the clock on our health care!
